Objective

I am a recent IT graduate with a passion for technology and a strong desire to learn and grow in the field. I am also a dedicated and versatile Software Developer with a passion for solving complex problems through technology. My journey in the tech world has led me to wear multiple hats, from being a proficient Full Stack Developer, I come with innovative solutions as a Tech enthusiast.

During my time in university (Walter Sisulu university), I gained hands-on experience in various areas of IT, including Programming, Web development, Mobile App Development and Database Management.

 Throughout my academic career, I have consistently demonstrated a strong work ethic, a commitment to excellence, and a passion for problem-solving. I am a quick learner, a team player, and I am always eager to take on new challenges and expand my skillset.

Education

Diploma In Ict in Application development 2019-2022	**Walter Sisulu University - East London** • Majors – Software development and Technical programming
Matric 2015-2017	**Gobe Commercial High School - Kentani**

Professional Experience

Education Assistant Teacher Feb 2023- Sept 2023	**Department Of Education - Kentani** • Managed resources efficiently by organizing materials, tracking inventory and preparing resources necessary for daily instructions. • Supported students with special needs by adopting lessons and providing necessary accommodations in collaborations with special l education staff.

E-Learning Assistant Feb 2022- Nov 2022	**Walter Sisulu University - East London** • Developed and supported pupils competence using ICT in learning activities. • Prepared, maintained and equipment and resources required to meet lesson plans and learning activities.
UI Designer Trainee Mar 2020- Dec 2021	**Luthango Holdings Pty Ltd - East London** • I received extensive training in designing intuitive and visually appealing user interfaces. This immersive experience provided me with essential skills in HTML, CSS, and Java, allowing me to develop interactive and responsive web interfaces that enhance user experiences.
Absa Software Development Intern 2024	**Uvu Africa- CAPACITI - Salt River Cape Town** Working closely with other team members, including developers, designers, and project managers, to ensure timely delivery of software solutions. Participating in team meetings, scrums, and presentations to update stakeholders on project progress, discuss issues, and brainstorm solutions.
